

## WINE FACTSHEET

Turra Pet-Nat was born in 2020 with the idea of bringing today a natural and historic wine. The way it's done remembers the wines produced in our grand parents generations, taking back what the best was done in the region during centuries.

### KEY POINTS

Wine made from Azal variety. Total de-stemming. The juice is carried to the vats by gravity. Long fermentation at controlled temperature that ends in the bottle. No added sulfites. Non filtered.

### TASTING NOTES

Primary and fermentative aromas of apple, banana, quince and hints of tropical. Soft bubble with vibrant acidity. Very fruit with floral notes.

### FOOD PAIRING

Perfect as a starter or for the end of the meal. It should be served cool.
